

Lemon Tree – umgedichtet

I'm sitting here in the boring room
it's just another rainy sunday afternoon
I'm waisting my time I guess that is not fair
I'm thinking about what's changing out there
And all of this still happens
and I wonder

My friends can't come on into my house
I feel so lonely and empty inside
I feel my guilt creep up on me
I should do work but youtube is free
And all of this still happens
and I wonder

I wonder how
I wonder why
Yesterday we talked about corona vibes
and all that I can see is my future coming down on me
I'm turning my head up and down
I'm turning turning turning turning around
And all that I could see is corona coming for me

sing: da da da da
dam dee dab da
da da da dam dee dab da
dab deedly da

I'm sitting here but not for long
I'd like to go out just to sing this song
So be creative don't be fooled
Corona is here for you to be gold
And all of this still happens
and I wonder

Isolation – is not good for me
Isolation - I don't want to do my work poorly

I'm walking outside to go slow for a walk
Baby do sport and stop being bored
And all of this still happens
and I wonder

I wonder how
I wonder why
Yesterday we talked about corona vibes
and all that I can see is my future coming down on me
I'm turning my head up and down

I'm turning turning turning turning turning around
And all that I could see is corona coming for me

and I wonder I wonder I wonder
Oh, I wonder how
I wonder why
Yesterday we talked about corona vibes
And all that I can see
And all that I can see
And all that I can see
is corona coming for me
